

ergotron®

Durable

Harness the limitless potential of technology in your healthcare organization. Ergotron's professional-grade ChargeFit charging systems fit your changing technology and workflows across care applications.

Flexible

As movement innovators, we've designed our ChargeFit systems to work with a variety of accessories for you to decide where and how you want to ChargeFit.

Efficient

From powering telehealth initiatives to enabling patient-family interactions during a hospital stay, our charging systems ensure your devices are ready for when they're needed most.

Innovative

CHARGEFIT™

Our professional-grade ChargeFit designs combine durable construction with extensive testing to help keep caregivers, patients and devices safe.

CHARGEFIT

Desktop	Wall	Wall or Desk
ZIP12	ZIP12	YES20
Compact	Space saving	Versatile mounting
		
		
Tablets, smart phones, Chromebooks, iPads	Tablets, smart phones, Chromebooks, iPads	Tablets, smart phones, iPads

Charging cabinets save valuable counter space

Limited lifetime for the frame; 5 years for other mechanical components; 3 years for electrical components; 1 year for cables

Patented PowerShuttle™ technology:

- Supports safe and fast charging for tablets and laptops
- Continuous monitoring keeps circuit limits in check
- In-rush protection helps avoid power spikes
- Measured processing manages the current to devices

In a test, our charging cart with PowerShuttle Technology charged up to 40% faster than our competitor's round robin charging cart

Featured	High-capacity	
YES Basic	YES40	ZIP40 Charge
Budget friendly	Small footprint	Full size
		
		ZIP40 Charge & Manage also available 
Tablets, Chromebooks, iPads, laptops	Tablets, Chromebooks, iPads, laptops	Tablets, Chromebooks, iPads, laptops

Move easily between rooms or floors with premium casters

Limited lifetime for the frame; 5 years for other mechanical components; 3 years for electrical components; 1 year for cables

Keep smart devices charged and easily accessible with the **Zip12 Charging Desktop Cabinet**. The space-saving design stacks on a nurse's station or other high-traffic area, while keeping charging cables organized and tangle-free.
